

Science of Synthesis

The only full-text resource for evaluated methods in synthetic organic chemistry!

- Want a comprehensive overview of a certain topic?
- Need to find the right synthetic route quickly?
- Looking to save time when planning a synthesis?
- Eager to start with a synthesis immediately?

When:

Tuesday, October 8th at 14:30

Where:

Room 9, Dept. of Industrial Chemistry
"Toso Montanari"

University Contact for More Information:

Dr. Luca Bernardi: luca.bernardi2@unibo.it
Dr. Laura Peperoni: laura.peperoni@unibo.it

Bring your own laptop to try it out for yourself!

Presenter:
Dr. Giuliana Rubulotta
Assistant Scientific Editor
Chemistry Journals
